Especially when she was a middle schooler

You do? Why?

Why not! Confressing will feel good!

So?

Well. He is good looking

Do you want to date?

Why are you asking me that?

Hey, what happened to that 2nd year, Gang Ye-na ?

The pretty one with the big boobs?

Isn't she easy?

Ah~ Well go out soon~

For the beautiful Ye-na.

Unnie's Taste

Story by Jang Jin & Com

Hello Ye-na? I'll greet you formally.
I'm teacher Yun. I will be studying with you from today onwards.

What subjects does Ye-na like and shall we take a look at your grades?
Wow~ This isn't good~! This is serious. Do you want to go to college?

Teacher is very worried~
Excuse me could you please stop. It's childish.

I didn't know you were the private tutor. Why didn't you say so at that time?
UGH
Ah, you didn't ask me in the first place, Ye-na

Well, Teach understands you. Because the world is a panic-stricken place, you mistook me for a gutless gwimilla, right?
Teaher doesn't care about that~

Well, let's leave it at that today.
Eugh!
I will get into class more seriously next week~

I'll see you again, Ye-na
Next time, let's have our first meeting in front of a desk~

I.. seriously don't like this
I shouldn't have taken her on ..!

Really, I must be losing my mind. Why am I having such a hard time lately?
Why does she have to be connected to Bang Ha-seong. I shouldn't blame her for this
Bzzzt- Bzt-

Bzzzzt-
Be mature, Yun

I'll leave this town soon

Your just like the others, blindly chasing after Ye-na
I've seen dozens of kids just like you, and they always end up getting hurt

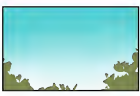
I can't say anything unfriendly. I don't want Ye-na to be mad at me because of your feelings

Anyways Ye-na, she likes men

Cry

I want to sleep, but I don't think I'll be able to sleep soundly

When stress builds up, Ha-jeong sleeps
snore



That private tutor I hate her

She's awful.
I'm so annoyed!

All you have to do is study.

Huh~ It's not just that. That person makes me nervous.

I must be nuts.

I wish I hadn't gone out of my way and asked about that.
Anyway~
It's been a while since I've seen you care so much about anyone.

Oh. You're mean. I care about things more than you think.

How acquainted are you with Bang Ha-jeong?
Oh. Ha-jeong? Isn't she so cute?

Ha-jeong is little like you don't you think?

What? How did you come up with that?
Hmm.. Well..

What! Why aren't you saying anything?
HAHA
